"Big Blue"

Parents,

This notice is concerning stick and mallet requirements for **ALL battery percussionist** for the fall. It is mandatory that all battery percussionist furnish his or her own sticks throughout the marching season. Below I have listed the implements that each section will use, along with a link to find them here on line. You may of course purchase these anywhere but I recommend getting them here on line when possible. It just seems to be cheaper and easier in the long run. I will keep a VERY LIMITED supply of snare/tenor sticks on hand for purchase through the season but I cannot keep enough for everyone. **I ask that all members have the required sticks or mallets for their instrument before the first day of drum camp.** If you have any questions or need my help getting the sticks/ mallets then I will be glad to help you! Please help us get the season started on the right foot by taking care of this!! Thank you in advance for your help.
