(OR)

_____ I have made the top 3 bands, but plan to participate in an activity that will make me 15 minutes late or less to after-school band rehearsals. I understand that I must make it to after school rehearsal within this 15-minute time frame to maintain my position in the competition band. I will work this out with the sponsor/coach of my other activity. I will communicate with the band directors CONSISTENTLY THROUGHOUT THE SEASON to keep my schedule together. Please note: If you need special arrangements made for your rehearsal schedule due to another school activity, a rehearsal/practice schedule must be arranged in advance of the season and put in writing. Both the band director and the activity sponsor must agree to the arrangement so that neither group suffers. It is incumbent upon the student to adhere to the written schedule and/or to communicate directly (not through other students) in the event that changes occur.

List the after-school activities and sponsors:
