_____ I have made the top 3 concert bands and I wish to be considered for the competition band next fall. I understand that I must commit to attending outside first-period rehearsal and after-school rehearsals scheduled for my unit of the marching band. I will not be involved in any other after-school activities on the days listed below. I understand that if I become involved in after-school activities causing me to miss on the rehearsal days listed below, I am subject to be replaced in the competition group.

These rehearsals are first-period (outside as needed) and:

Woodwinds and brass: Monday and Thursday: 3-5:30PM
and Tuesday 3-4:30pm UNTIL WE FINISH LEARNING DRILL

(OR)

_____ I made the top 3 bands, but I have after-school activities planned that will prevent me from being in the competition band. I am taking the option of being in the non-competition band this fall and understand I will keep my chair-placement when marching season is finished. I will follow the Varsity Band rehearsal schedule during football season and will participate fully each day in order to earn credit for band. I understand that activities to prevent my participation in the competition band must be school-related.

List the after-school activities preventing you from competing:
